Subject: Cargill

Hi Crystal –

Could you please find 1-hour on Joel's either next week or the week of November 30th

for folks to brief him on Cargill. Greg Peck should also be included, and he can tell you who else should be included from OW. From OGC, we need myself, and Karyn Wendelowski, with Steve Neugeboren and Carrie Wehling if possible. This will be a briefing by video with folks from R9, so a time after 12pm EST would be best to accommodate the time differences.

Additionally, could you send me your contact information that I may pass on to Roger Martella who will be calling to set up a meeting to bring in his clients, Cargill, to meet with Joel (and me and others). That meeting will likely need to be set the week of December 14th.

Thanks,

Stacey
